" ... Mexico City has been the only
major overseas reporter in the case. While
this is partly dictated by the facts
of Lee OSWALD's life, we have not
overlooked the really outstanding performance
of Mexico City's major assets and the
speed, precision and perception with which the
data was forwarded. Here it was relayed
within minutes to the White House, ODEID, and
ODENVY."

" Your LI ENVIRONMENT data, the statements
of Silvia DURAN, and your analysis
were major factors in the quick
classification of the case, blanketing
out the really ominous spectre of
foreign backing."
